

## SARALANA DECLARATION ON WEST PAPUA UNITY

We the undersigned; the Federal Republic for West Papua (NRFPB), West Papua National Coalition of Liberation (WPNCL), West Papua National Parliament (WPNP/New Guinea Raad), have conducted the Summit on West Papuan Unification at Saralana, Port Vila, Vanuatu, from 30<sup>th</sup> November – 6<sup>th</sup> December 2014.

In the name of the people, the nation and the land of West Papua, we do declare that today the 6th December 2014 at the Chief's Nakamal, at Saralana, Port Vila, Vanuatu, that the undersigned groups have united and established the United Liberation Movement for West Papua (ULMWP), a body representing all resistance organisations both inside and outside West Papua.

We declare and claim that all West Papuans, both inside and outside West Papua, are united under this new body and that we will continue our struggle for independence.

This meeting has been conducted pursuant to the decision made by the Melanesian Spearhead Group (MSG) in Port Moresby, Papua New Guinea in June 2014, that West Papuan independence organisations must first unite before an application for membership can be re-submitted to the Melanesian Spearhead Group (MSG). We are now united and will re-submit an application under this new body, the ULMWP.

We are determined that the United Liberation Movement for West Papua (ULMWP) becomes the coordinating body to support all international efforts to regain our sovereignty. In order to support this, we have formed a secretariat of five people; Benny Wenda, Jacob Rumbiak, Leone Tanggahma, Octovianus Mote and Rex Rumakiek, and representing the three largest resistance organisations and also all non-affiliated resistance organisations that support our struggle. We will maintain our existing organisations but commit to be united by the coordinating efforts of the United Liberation Movement for West Papua.

This important and historic declaration has been made possible through the faithful efforts of the Vanuatu Government, Malvatumaauri National Council of Chiefs, the Vanuatu Christian Council, the Pacific Conference of Churches and the commitment of the following liberation organisations:
